

CHOOSE YOUR DRAIN INTERVAL

3,000+ Miles/3+ Months

- Excellent wear protection
- Remains fluid in extreme cold
- Resists boil-off in extreme heat
- Maximizes fuel economy

OE Synthetic Motor Oil is specially formulated for the longer oil change intervals recommended by vehicle manufacturers today. Advanced synthetic technology resists chemical breakdown for excellent wear protection (and peace of mind) well beyond the traditional 3,000-mile oil change interval. Available in four viscosities.

10,000 Miles/6 Months

- Lasts up to 10,000 miles/6 months*
- Excellent wear protection
- Remains fluid in extreme cold
- Resists boil-off in extreme heat
- Maximizes fuel economy

**Or longer where recommended by oil life monitor or owner's manual.*

XL Synthetic Motor Oil provides all the benefits of OE plus an extended-drain boost for a convenient, twice-per-year oil change schedule. Available in five viscosities.

SIGNATURE SERIES

25,000 Miles/700 hours of operation/12 Months

- Lasts up to 25,000 miles/700 hours of operation/1 year*
- Outstanding wear protection
- Exceptional cleaning properties
- Remains fluid in extreme cold
- Resists boil-off in extreme heat
- Maximizes fuel economy
- Premier AMSOIL formulation

**15,000 miles in severe service*

AMSOIL Signature Series Synthetic Motor Oil is the result of 40 years of synthetic lubricant engineering. It delivers guaranteed protection for up to 25,000 miles/700 hours of operation/one year. AMSOIL Signature Series offers a rare combination of performance, value and environmental responsibility. Available in seven viscosities.

MOVE UP TO AMSOIL QUALITY

No matter what motivates you – performance, price or convenience – AMSOIL offers high-quality synthetic motor oils that deliver.

PERFORMANCE

Quality is first priority at AMSOIL. While Signature Series is the premier AMSOIL formulation, the OE and XL lines have been crafted with the same precision engineering to deliver exceptional protection in today's complex and demanding engines. Whether choosing AMSOIL OE, AMSOIL XL or AMSOIL Signature Series, you are choosing an AMSOIL-quality synthetic motor oil with guaranteed performance.

PRICE

While AMSOIL Signature Series carries the highest initial price, its extended-drain capabilities and outstanding performance make it the most cost-effective long-term choice. Those who are not yet ready for extended drain intervals will be hard-pressed to find a synthetic motor oil on par with OE for less money up-front, and XL is an outstanding choice for those who prefer a twice-per-year oil change program. Determine how many miles you accumulate each year and choose the product that is most cost-effective according to your annual mileage.

CONVENIENCE

AMSOIL offers maximum convenience with motor oils that match your maintenance habits. OE is designed for motorists who change oil according to the instructions in their vehicle owner's manual. With a drain interval of up to 10,000 miles or six months, XL is the solution for those who prefer a spring and fall oil change program, and Signature Series delivers guaranteed protection for up to 25,000 miles/700 hours of operation/one year.

1. Select your drain interval.
2. Select your viscosity.
3. Select a filter to match your drain interval.*
